

The Journal OF THE *House of Representatives*

Number 16

Wednesday, March 26, 2014

The House was called to order by the Speaker at 9:08 a.m.

Prayer

The following prayer was offered by the Reverend Carol Drake Wheatley of Power in the Workplace Ministries of Indian Harbour Beach, upon invitation of Rep. Tobia:

Father, I'd like to speak a blessing over these men and women who have laid down their own lives to become servants of the people of the state of Florida. Thank You, Lord, that You've appointed them to these positions of authority. You know each one by name. You know what's in their minds. You know what's the thought and intent of their hearts. Father, Your love abounds to each and every legislator in this Chamber. These men and women represent those of us who live in and love the state of Florida. You love us, Lord, and we love You because of Your great sacrifice for us.

Lord, give each legislator here an opportunity to be an example for the people and the children in their districts. Those children will take their places in these very chambers one day soon. Lord, give these representatives heart to encourage the children to get involved with their government—to encourage those children to walk in truth and righteousness. And Father God, my prayer is that these men and women allow their love for You to be evident in all who are around them. And I pray that You will give them the courage to do what they know in their hearts is right for the state of Florida. Lord, let each of these legislators be Your blessing in their district. And it's in Jesus' precious name I pray, Amen.

Point of Order

Rep. Waldman raised a point of order, under Rule 12.8(b)(3), that the amendment was not germane to the memorial.

THE SPEAKER IN THE CHAIR

The Chair [Speaker Weatherford] referred the point to Rep. Schenck, Chair of the Rules & Calendar Committee, for a recommendation.

Rep. Schenck, Chair of the Rules & Calendar Committee, in speaking to the point of order on **Amendment 1 to CS/HM 81**, stated that the amendment does not expand the scope of the bill and that the amendment is germane. Rep. Schenck recommended the point be not well taken.

The Chair [Speaker Weatherford], upon the recommendation of Rep. Schenck, Chair of the Rules & Calendar Committee, ruled the point not well taken and that the amendment was germane.

The question recurred on the adoption of **Amendment 1**, which was adopted.

The question recurred on the passage of **CS/HM 81**, which now reads as follows:

CS/HM 81—A memorial to the Congress of the United States, applying to Congress to call a convention for the sole purpose of proposing an amendment to the Constitution of the United States that would limit the consecutive terms of office which a member of the United States Senate or the United States House of Representatives may serve.

WHEREAS Article V of the Constitution of the United States requires Congress to call a convention for the sole purpose of proposing amendments to the Constitution upon application of two-thirds of the states, and

WHEREAS, a continuous and growing concern has been expressed that the best interests of this nation will be served by limiting the terms of members of Congress, a concern expressed by the Founding Fathers and incorporated into the Articles of Confederation, and

WHEREAS, the voters of the State of Florida, by the gathering of petition signatures, placed on the general election ballot of 1992 a measure to limit the consecutive years of service for several offices, including the offices of United States Senator and United States Representative, and

WHEREAS, the voters of Florida incorporated this limitation into the State Constitution as Section 4, Article VI, by an approval vote that exceeded 76 percent in the general election of 1992, and

WHEREAS, in 1995, the United States Supreme Court ruled in *U.S. Term Limits, Inc. v. Thornton*, 514 U.S. 779 (1995), a five-to-four decision, that the individual states did not possess the requisite authority to establish term limits, or additional qualifications, for persons elected to the United States Senate or United States House of Representatives, and

WHEREAS, upon reflecting on the intent of the voters of this state and their overwhelming support of congressional term limits, the Legislature, in its 114th Regular Session since Statehood in 1845, did express through a memorial to Congress the desire to receive an amendment to the Constitution of the United States to limit the number of consecutive terms that a person may serve in the United States Senate or the United States House of Representatives, and

WHEREAS, the Legislature, in its 116th Regular Session since statehood in 1845, does desire to see a convention called for the sole purpose of proposing such an amendment, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

(1) That the Legislature of the State of Florida hereby applies to Congress, under the provisions of Article V of the Constitution of the United States, to call a convention limited to the sole purpose of proposing an amendment to the

Constitution limiting the number of consecutive terms which a person may serve in the United States Senate or the United States House of Representative.

(2) That this application constitutes a continuing application in accordance with Article V until the Legislatures of at least two-thirds of the states have made application on the same subject.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, to each member of the Florida delegation to the United States Congress, and to the presiding officer of each house of the legislature of each state.
